There may be small bones or shells in some fish and shellfish. Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of food borne illness. Meat & fish are cooked to order. We're not responsible for an individual's allergic reaction to our food. At CINCO TACO we promise to serve only the finest and freshest seafood available. Since our seafood selection is based entirely on market availability and freshness, some of the items on our menu may be missing if we find that those items don't meet our standards.

All of our tacos are served on handmade corn tortillas unless noted, you can always change for corn or flour tortilla, just let us know. Make your tacos lighter, substitute tortillas for a romaine lettuce.
